

**Book on the day -
Released on the
day for
emergency
appointments
only**

**Pre-bookable -
Book up to 6
weeks in advance**

**Telephone - Many things can
be dealt with over the phone
and if a GP decides they need
to see you, they will arrange
that with you.**

**Face to face - if you
require an examination,
we would recommend a
face to face appointment**

**Nurse Practitioner and
Advanced Nurse Practitioner -
Can deal with most clinical
problems. Do not do sick notes.
Please speak to a receptionist
to see if they would be suitable
to speak to**

**Nurse Clinician - Manages
chronic diseases, completes
cervical smears and
administers immunisations.
Will not see patients for
acute issues.**

**Midwife - A community
midwife who is based at
Whiston Hospital holds
a clinic once a week for
our pregnant ladies.**

**Med-3 (Sick notes) - If you
require a NEW sick note,
you will need an
appointment with a GP
first. If you require a
renewal we will add you on
to our sick note list.**

**GP Appointment - There are
four GP's available across
the week. If you have a
specific GP you need to see,
please pre-book. All GP's
have access to your medical
records.**

**Appointment
Options at the
Hollies Medical
Centre**
